I understand there is certain risks inherent in the practice and play of soccer, as well as travel and other related activities incidental to my child's participation. I am willing to assume these risks on behalf of my child. I have read and understand the above form. I have also read and signed the Fair Lawn All-Sports Code of Conduct, and will abide by all the codes in that statement.

**FAIR LAWN ALL SPORTS
CODE OF CONDUCT**

The Fair Lawn All- Sports Board of Directors requires that a parent or guardian of each participant sign below. This acknowledges that they have read this sheet, understand it, and agree to conform to these rules.

1. It is understood that there will be **no** arguing with officials at any time.
2. It is understood that profane or abusive language will not be tolerated at any time while participating in an All-Sports activity.
3. It is understood that fighting will not be tolerated at any time while participating in an All- Sports activity.
4. It is agreed that I will conduct myself in a proper manner.

Violations of any of the above will lead to automatic ejection from a contest. In an attempt to ensure that our coaches, parents, and players conduct themselves with proper behavior and are able to enjoy participation in All- Sports activities, we have created the following guidelines:

Players

- a. If a player is ejected from a game-the All-Sports Sportsmanship Committee will issue a warning to the player and the committee has the power to suspend the player from further games.
- b. If a player is ejected a second time during that season the Sportsmanship Committee will issue a warning to the player, but the committee will consider that this is the second offense and will in all likelihood issue a much harsher ruling depending on the specific circumstances of the ejection.

Coaches

- a. If a coach is ejected from a game-the Sportsmanship Committee will automatically suspend the coach for the next scheduled game and the committee may issue a harsher ruling depending on the circumstances of the ejection.
- b. If a coach is ejected a second time during that season- the Sportsmanship Committee will issue a minimum of a two game suspension and again has the authority to issue a harsher ruling depending on the circumstances.
- c. Should a coach **instigate** a physical situation or a fight - the Sportsmanship Committee will automatically suspend that coach for the balance of that season and again has the authority to issue a harsher ruling depending on the circumstances.

Parents/Relatives

- a. If parents or relatives of a player are abusive or cause a disruptive situation, we would ask our coaches to first attempt to stop this behavior. Should this behavior continue, the program chairperson will attempt to modify the behavior. Should the problem continue unabated, the Sportsmanship Committee will correspond to the individual or individuals and advise them that they will not be permitted to attend any more contests, and if they do attend, their child or children will not be able to participate in those contests.

There will be no refunds for dismissals from any programs for sportsmanship violations. Fair Lawn All- Sports hopes that none of the above penalties will have to be implemented, but rather that our participants, coaches, and fans will enjoy their season and let our players play and learn under the proper guidelines and conditions.
