

## FAIR LAWN ALL-SPORTS

### SUMMER TRAVELING BASEBALL 2010 JUNIOR DIVISION -- AGES 8-12

Tryouts for Fair Lawn All-Sports' 2010 summer traveling baseball teams will be held early in the spring. Once finalized, the dates, times, and locations of the tryouts will be posted on the baseball page of the All-Sports website, [www.flallsports.org](http://www.flallsports.org). E-mails will be sent by Fair Lawn All-Sports to all baseball registrants once the summer tryout schedule is set.

- The number of summer traveling teams for each age group will be determined based upon turnout and performance at these tryouts.
- ***To be selected for any summer traveling team for any age group, a player must attend at least one tryout for that age group, and each player can only try out for one age group.*** Players should wear their most recent Jr. Farm, Sr. Farm, or Majors uniform to their tryouts.
- All selected players will be required to provide a copy of their birth certificate and pay a registration fee of \$175 by the team's first practice, with checks payable to "Fair Lawn All-Sports". This fee covers the players' uniforms, their team's registration for one league, and one additional tournament, as well as the cost of umpires and equipment.
- Summer traveling teams will begin practicing soon after their selection (avoiding conflicts with our Junior Farm, Senior Farm, and Majors programs), and will have practices and games at least three days a week from early June through mid July. Parents/guardians should be prepared at tryouts to alert the coaches to any vacation plans or other potential conflicts with that schedule.

April 30th is the date as of which players' ages for summer traveling baseball are determined. Players have the option to "play up" with their school classmates, as shown below:
