FAIR LAWN ALL SPORTS - CODE OF CONDUCT

The Fair Lawn All-Sports Board of Directors requires that a parent or guardian of each participant sign below. This acknowledges that they have read this sheet, understand it, and agree to conform to these rules.

1. It is understood that there will be **no** arguing with officials or coaches at any time.
2. It is understood that profane or abusive language will not be tolerated at any time.
3. It is understood that fighting will not be tolerated at any time.
4. It is understood that there will be no smoking or drinking of alcoholic beverages before or at any All-Sports field or activity.
5. It is agreed that each player and parent/relative/guardian will conduct themselves in a proper manner.

Violations of any of the above will lead to automatic ejection from a contest. In an attempt to ensure that our coaches, parents, and players conduct themselves with proper behavior and are able to enjoy participation in All-Sports activities, we have created the following guidelines:

Players

- a. If a player is ejected from a game-the All-Sports Sportsmanship Committee will issue a warning to the player and the committee has the power to suspend the player from further games.
- b. If a player is ejected a second time during that season the Sportsmanship Committee will issue a warning to the player, but the committee will consider that this is the second offense and will in all likelihood issue a much harsher ruling depending on the specific circumstances of the ejection.

Coaches

- a. If a coach is ejected from a game-the Sportsmanship Committee will automatically suspend the coach for the next scheduled game and the committee may issue a harsher ruling depending on the circumstances of the ejection. Any fines issued by a league will be paid by the coach.
- b. If a coach is ejected a second time during that season - the Sportsmanship Committee will issue a minimum of a two game suspension and again has the authority to issue a harsher ruling depending on the circumstances.
- c. Should a coach **instigate** a physical situation or a fight - the Sportsmanship Committee will automatically suspend that coach for the balance of that season and again has the authority to issue a harsher ruling depending on the circumstances.
- d. If a coach takes players from All-Sports to form a separate team with a different organization they will be banned from coaching in any All-Sports activity.

Parents/Relatives/Guardians

- a. If parents, relatives or guardians of a player are abusive or cause a disruptive situation, we would ask our coaches to first attempt to stop this behavior. Any fines issued by a league will be paid by the parent. If the fine is not paid, the child may be prevented from participating in any All-Sports activities until such fine is paid. In the discretion of All-Sports the offending person may be banned from attending any All-Sports contests, and if they do attend, their child or children will not be able to participate in those contests.

There will be no refunds for dismissals from any programs for sportsmanship violations. Fair Lawn All-Sports hopes that none of the above penalties will have to be implemented, but rather that our players, coaches, and fans will enjoy their season and let our players play and learn under the proper guidelines and conditions.
